

National
Bronze MFG.
MICHIGAN

COMPONENTS FOR THE PUMP AND VALVE INDUSTRIES

About National Bronze Mfg. Co.

National Bronze Mfg. is a leading manufacturer and supplier of bronze based products. Since 1911 National Bronze Mfg. has been one of the largest manufacturers of bronze bushings, bearings, and other industrial components.

National Bronze Mfg. is also a full metal service center supplying bronze, brass, and copper bar stock to manufacturers worldwide. Our metal warehouse gives us quick access to a wide variety of alloys and sizes. This inventory equates to a highly valuable supply chain partner for manufacturers in highly competitive industries.
