

Application

Alloy

| | |
|---|------------------------|
| agricultural machinery | C94100 |
| air compressor wrist pin bushings | C90300 |
| aircraft accessory drives | C90700 |
| aircraft control bushings | C93700 |
| aircraft landing gear bushings | C90300 |
| aircraft-carburetor bearings | C94300 |
| automotive spindle bushings | C92700 |
| automotive transmission thrust washers | C83600 |
| backs for lined bearings | C93800, C93700, C93600 |
| bearings for earth moving machines | C92700 |
| boring bar guide bushings | Al Bronzes |
| brass and copper rolling-mill neck bearings | C93800 |
| bridge bearings | C90700, C90300 |
| cam bearings | Al bronzes |
| cam bushings for diesel engines | C93700, C93200, C93600 |
| cam bushings for farm equipment | C93700 |
| cam bushings for mechanical devices | C93700 |
| clutch pilot bushings | C90500 |
| connecting-rod bushings for farm equipment | C93700, C92700 |
| cornpicker snapping roll bushings | C83600 |
| cranes and hoist bearings | C94100 |
| crankshaft bushings for farm equipment | C93700 |
| crankshaft main bearings | C93600, C93700 |
| deep-well pump-line shaft bearings | C83600, C89320 |
| deep-well pump-bowl bushings | C93800, C93600 |
| drum bushings for cranes | C93800 |
| drum bushings on earthmoving machinery | C93800 |
| earthmoving equipment bushings | Al bronzes |
| electric-motor bushings | C93700, C93200, |
| elevators | C94100, C93600 |
| fire-pump bushings | C94100 |
| freight and streetcar bearings | C94300 |
| fuel and water-pump bushings | C93800 |
| garden tractors | C93700 |
| gas, gasoline and diesel engine bearings | C93700 |
| gasoline pump bearings | C93800 |
| gear bushings for farm equipment reducers | C93800 |
| gear bushings for motorcycles | C93700, C92700 |
| generator and distributor bushings | C93700 |
| guide bushings for piston rods | C93200 |
| guide bushings for rams | C93200, C89320, C93600 |
| guide bushings for valves | C93200, C89320, C93600 |
| guide post bushings | C93200, C89320, C93600 |
| heavy earthmoving equipment bushings | Al bronzes |

| | |
|--|------------------------|
| hydraulic glands seals | Al bronzes |
| hydraulic pump bushings | C93800, C89320 |
| king pin bushings for off-highway equipment | C94300 |
| lathe bearings | C93800 |
| linkage bushings for machine tools and presses | C93700 |
| locomotive bearing parts | C90500, C93700 |
| low-pressure valve bearings | C94300, C92700, C93600 |
| machine tool bearings | C83600, C89320 |
| main bearings for presses | C94100, C90700, |
| main bearings for refrigeration compressors | Al bronzes, C90300 |
| manifold bushings for earthmoving machinery | C93200 |
| marine equipment | C94300 |
| mechanical linkage bushings for farm and | C83600 |
| material handling equipment | C90700 |
| mechanical linkage for farm equipment | C93200, C93600, C89320 |
| and packaging machinery | C92700 |
| motorcycle-engine bearings | C93200 |
| outboard motor crankshaft bearings | C93700 |
| piston pin bushings | C90500, C93600, |
| piston pins for packaging equipment | C93700 (diesels) |
| power lawnmower bushings | C93700 |
| power shovel bushings | C93700 |
| propeller bushings | Al bronzes |
| pump sleeves | C83600 |
| rail and heavy equipment trunnion bearings | C83600, C89320 |
| railroad car wheel bearings | C93700 |
| reduction-gear pinion bearings | C93700, C93800, C94300 |
